

## LADY BIRD SOCIETY THREE-YEAR GIVING CIRCLE

The Lady Bird Society is a growing circle of individuals dedicated to stewarding the vision of Lady Bird Johnson and the mission of the Lady Bird Johnson Wildflower Center. Society members sustain the Center's vital work by pledging unrestricted annual gifts at one of three levels for three years or more, providing a stable source of funding for the gardens and living collections, educational programs, and research opportunities.

### SOCIETY MEMBER BENEFITS

---

In appreciation, Lady Bird Society members receive exceptional benefits, including invitations to special events and recognition in Wildflower Center publications.

\*You may give your experience as a gift to family or friends.

*The majority of your gift through the Lady Bird Society is tax deductible. If you wish to waive your benefits to make your gift fully tax deductible, you may indicate your preference to us.*

*The Wildflower Center always recommends you speak with your financial advisor or tax expert, especially when paying for membership with certain charitable giving methods. Some methods may not allow you to receive benefits.*
